

Located at the south end of the Baja California Peninsula, Los Cabos is a unique mixture of desert landscapes, beaches, and mountainous zones that are a sight to behold. National Geographic magazine has named Los Cabos one of the must-see places to visit in 2017.

Baja California Sur is a state surrounded by the magnificence of the Sea of Cortes and the Pacific Ocean, it is a real paradise between two seas.

Los Cabos has something for everyone, regardless of the type of trip you want, be it a chill weekend or an adventurous experience, a budget vacation or an over the top splurge, rest assured you will find what you're looking for in this great beach and desert destination, located in northwest Mexico. The laid-back lifestyle of Los Cabos will quickly grow on you, including the events held in the region that are always a stress-free experience from beginning to end.
